

# LVMS MONDAY MINUTE

Week of November 1 - 5, 2021

**\*EARLY DISMISSALS ON 11/2 & 11/3. SCHOOL IS CLOSED 11/4 & 11/5!\***

## HIGHLIGHTS FROM LAST WEEK

### Spirit:

- Wow! School spirit was in FULL EFFECT all week!!! The number of students and staff participating in every spirit day with colors and costumes increased throughout the week. By Friday, you were hard-pressed to find anyone not dressed up for Costume Day.
- Congratulations to Mr. Law's 6th Grade Homeroom for winning the Spooky Door Decorating Contest. There were many great entrants. Ms. Andershonis won for the 7th Grade.

### Athletics:

- The Girls Soccer team wrapped up their season on 10/27 with a 4-3-1 record. Coach Demarest and the athletes worked hard all season and some huge wins propelled them into the county semifinals. Good luck to our 7th & 8th graders!
- The Boys Soccer team finished their season on 10/28. They had a 7 game winning streak that rode them to the semi's where they lost to the #1 seed Mt Olive, 2 - 1 in Penalty Kicks. Great job Coach Petro and team!! Good luck to our 8th graders.
  - Boys Team: Please return laundered uniforms to Coach Petrucelli by 11/3.
- The Field Hockey team ended a fantastic season on 10/27. The Panthers finished with a 11-1-1 record! One of the best seasons for the program in some time. The team fed off Coach Stramaglia's "We will work harder than everyone" attitude all season. Congrats to them and Good luck at the next level 8th graders.
- The Boys and Girls Cross Country teams finished up their season last week. Coach Erbe had a great mix of grade level runners who worked hard everyday and kept on improving their times. The program will look towards their 6th and 7th grade athletes to build off the success they had this fall next year. Good luck to our 8th graders going on to the high school level.

*Thank you for the updates Mr. Schlesinger!*

## SCHOLASTIC SPOTLIGHTS

- 6th grade Scientists found the mass of various soda cans and calculated the density to predict if they would sink or float before testing them in water. In Social Studies, they engaged in a Stone Age Simulation, in math class they played Battleship, and in ELA the students shared their spooky Halloween stories around a campfire.
- 7th graders thank everyone for their participation in Red Ribbon week!
- 8th graders can prepare for upcoming tests in Algebra and Spanish.
- The Marking period ends on November 11th for grades 6 to 8.

### Health and Safety

Please see the Superintendent's [10/8/2021 community letter](#) for policy updates.
